

ANNEX B – LIST OF WATER4ALL BENEFICIARIES THAT MAY APPLY TO THE 2025 JOINT TRANSNATIONAL CALL

Research teams from some beneficiaries of Water4All Partnership may exceptionally participate in this co-funded call. The list of beneficiaries allowed to participate in the projects' consortia is indicated in the following table. For those beneficiaries, measures have been foreseen to mitigate the risk of, perception of, or de facto conflict of interest or unequal treatment of applicants. No other beneficiary of Water4All Partnership may apply for funding under the 2025 Joint Transnational Call or its modality. The research teams applying for funding shall comply with national/regional regulations of their respective Funding Partner Organisation.

Table 1. List of Water4All beneficiaries and research teams that may apply to the call

| Water4All participant | Country | Beneficiary may apply to the 2025 JTC |
